Happy July!!!

This article came across my newsfeed, and I thought it share worthy. I know everybody likes to make their ride look impeccably, clean and shiny but this one hit home. Sometimes looks can be deceiving and one can pay the cost for that so thanks to Dirty Dean who shared an article with this information! ... Pass it along brothers and sisters.!

**Friendly reminder to those that may not know... Do not Armor All or tire shine your motorcycle tires or your seats!*

It has been done and we're seeing a few bikes with that done on all the tires. It is extremely dangerous, and we would hate to see anyone get hurt!

Once the tires get spinning, it will run onto your tread area and as soon as it contacts with the road and the turn.... It will make you go for a ride that you will not enjoy along with possibly serious injuries!

You can guarantee many. People over the years have learned this lesson the hard way. If you have ever applied Armor All to your seat you will definitely never, do it again! Make safe choices!

Also, we have the new ABATE Yard Signs available! \$10 gets you a new one as shown in the picture along with one of our recent yellow signs (BOGOF)! State ABATE charged us this price and

Chaplain.....

Hello all, as I shared in our last Chapter meeting; 2 scriptures; Philippians 4:6-7. Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your request to God. And the peace of God, that transcends all understanding, will guard your hearts and minds in Christ Jesus. I'm thankful for the opportunity to pray for different ones prayer needs. And then, give thanks when i see God answering those requests. What a privilege to be

able to pray. Let's keep them coming. Love you all

COMMON GOALS & MUTUAL UNDERSTANDING -- MOTORCYCLISTS' RIGHTS ACTIVISTS MEET

Phoenix, Arizona – Eleven motorcyclists' rights activists representing the National Coalition of Motorcyclists, the Motorcycle Riders Foundation, and four motorcycle clubs took time away from the NCOM annual convention to meet in a closed-door session to discuss differences and focus on common goals.

With a joint willingness to acknowledge a tumultuous past but not allow the past to detract from the need to work toward the commonalities of mutually recognized issues effecting the future of motorcycling, the goals were quickly acknowledged and unanimously agreed upon: Profiling, Right to Repair, Renewable Fuels, Autonomous Vehicles, Emission Regulations, Definition of a Motorcycle, Crash Avoidance, support of SB 202 Internal Combustion Bill of Rights were accepted from the MRF's 2023 top legislative goals.

The issues that have historically divided NCOM and the MRF took more time to address. Once introductions were made, meeting moderator Kansas Tim, was clear with the direction the meeting needed to take during and after it adjourned.

The pace of the closed-door, limited attendance meeting was motivated by a newly elected NCOM board of directors, plus organizational leadership's willingness to meet. Ground rules were quickly established when the moderator outlined a list of issues that suppressed trust and even prevented working together. Overcoming distrust was reviewed and addressed with mutual assurance that both MRF and NCOM would "pick up the phone" regularly instead of relying on emails and third-party communications.

An agreement to encourage organization liaisons to attend meetings of respective leadership boards was also agreed upon. Welcome invitations to the respective board meetings would be forthcoming.

Acknowledgement and attribution for an organization's accomplishments provoked the most heated discussions. In a spirit of fostering a positive relationship between NCOM and the MRF, acknowledgement and attribution will continue to be a high-priority item for both NCOM and the MRF.

Ending the meeting between the National Coalition of Motorcyclists and the Motorcycle Riders Foundation with a photo op and a mutual commitment to work together, words taken from the NCOM event program summed up that commitment.

Howdy all! We needed the rain so much, even bikers were happy to see it. A reminder on hot days if the rain starts, it's a perfect time to pull over. Let that oil and heat slickness wash away a bit before your ride.

By the time you read this we will have already been to the HOI fair. Thank you to Freedom Valley for getting that set up.

Dave and Susan Salter hooked up with our sponsor at OZ'Z for a Chopped For A Cause St Jude ride event July 1 st . Kay Bernstein came out to help with the membership booth along with Ma and Tammy Johnson. Woody and Teresa were there as well ready for products. As our President, Dave is always looking for exposure for us. If you watched the news around the holiday week-end you will see our banner. So Thank you to the Salters.

We had a little incident out of state that gave me a legal question. I called Rod Tylor with A.B.A.T.E. Legal services. He was on vacation, on a boat. And he answered my call. Yep, there is peace of mind being an A.B.A.T.E. member.

Each month we focus on a reason to sell or give a membership. This month is an easy one. Fellowship. I have met so many great people through A.B.A.T.E. the B in A.B.A.T.E. stands for brotherhood. I think of all you brothers and sisters that I might have met but not known. And it doesn't stop at this chapter. either. It's great to be a part of this family.

As of July 1, st 2023 we have 184 active members with 3 people signing up in June they are:

Robert Rowon Miranda Sales Nancy Sales

Welcome to A.B.A.T.E. and to your Peo-Taz chapter!

Group Fellowship

Some of you already know, but each month, a local A.B.A.T.E sponsor is chosen for the destination of a group ride. This serves several important purposes. When we spend money on food and drinks it helps encourage continuing sponsorship in our program, because their support brings paying customers. As a group, those of us attending are building valuable friendships with good people, but we are also making Peo-Taz more visible to the public where they can witness the connection we have. This can encourage others to ask questions and potentially lead to membership growth.

As a newer A.B.A.T.E. member, I find it exciting to become more involved with like-minded people who enjoy a common interest in the thrill of riding. While we do get to mingle with people briefly before the meeting, it is the ride after, and the time spent supporting local A.B.A.T.E sponsors that several of us are finding true fellowship and connection with other members. If you aren't joining the group, you are missing out on a lot of fun.

Stone's Midway Tap was our stop after the July 2 membership meeting. It was a small friendly bar and offers free food on Sundays which, when we attended, consisted of gondolas and chips. We each ordered drinks and brainstormed how to get more members to join the fun. We look forward to spending time with more of you throughout the season.
