Howdy all! Ok, is it just me or does it feel like just a few weeks ago we were getting the bikes out? November didn't creep up on me. It just jumped out and slapped me upside the head. With it getting dark so soon, the deer are a bit harder to spot. Stay alert! Plans for the State Seminar are already underway. If you haven't attended, it is a great time plus you get a lot of information. Make sure to call at midnight on Nov 30th to reserve your room at the Northfield Inn in Springfield. 217-523-7900. For January 20-21st. As of November 1st we have 163 active members with 10 new members signing up in October they are: Hallie Beimfohr Rita Beimfohr Shawn Cochran Robert Dickerson Brandon Cook Sabrina Taylor Michael Brooks Sonya Brooks Noah Willey Nickolas Bicknell Welcome to A.B.A.T.E. and to your Peo-Taz chapter! With the holidays already upon us a great gift to give it the gift of membership. Something that lasts the whole year round. We have gift certificates available. Have a groovy day

Chaplain.....

We hope that everyone had a Wonderful Thanksgiving! I had a Pastor say one time, "it should be called, Thanksliving." Which interpreted means, "living each day with a heart of "Thanksgiving." We certainly have a lot to be thankful for don't we? I want to take a moment to thank all our officers that have served faithfully this past year. It's a commitment, no doubt about that., We all need each other. We're all in this together! Good job everyone! It looks like all positions will be filled and occupied for the coming year, Halleluia! I call that an , Answer to our prayers! We'll, in closing, Be safe, Enjoy the Christmas Season! And, be a Blessing to someone today! Love Ben and Pam

MOTORCYCLE RIDERS FOUNDATION LEGISLATIVE PRIORITIES

At the 2022 Motorcycle Riders Foundation's (MRF) 38th annual Meeting of the Minds Conference held in Des Moines, Iowa a legislative strategy session was hosted by the MRF's Legislative Committee. The purpose of the session was to establish and prioritize the MRF's 2023 Federal Legislative Agenda. Legislative issues fall into one of three categories, high, medium and monitor. This list remains fluid and can be adapted depending on the issue and political environment.

Below is a brief description of the issues on the MRF's 2023 agenda. The January 2023 issue of the American Biker Journal will have more detail on each of these legislative priorities. As a reminder, all MRF members receive a copy of the American Biker Journal with their membership.

If you aren't a MRF member [click here](#) to join and support freedom and safety for street motorcyclists in Washington, D.C.

The 2023 Motorcycle Riders Foundation Legislative Priorities List

HIGH PRIORITY OBJECTIVES:

Profiling - Sustain lobbying efforts for the passage of resolutions or legislation that promotes awareness and prohibition of motorcyclist profiling.

Renewable Fuels - Advocate for targeted changes to the Renewable Fuel Standard (RFS) including supporting the universal availability of approved fuel blends, containing no more than 10% ethanol by volume.

Autonomous Vehicles - Advocate and monitor any legislation or regulations related to motorcycles concerning connected and autonomous vehicles (AV):

Emission Regulations - Engage the EPA & Congress on any activity related to motorcycle emission regulations including efforts by California and other states that endangers the future of motorcycling

Definition of a Motorcycle - Seek a more appropriate and up to date federal definition of a motorcycle which reflects the current set of vehicles on the roads today.

Crash Avoidance - Promote the theme of crash avoidance versus safer crashing, urging NHTSA and the DOT to focus on crash prevention and rider education.

2023 MEDIUM PRIORITY OBJECTIVES:

Surface Transportation Reauthorization (Highway Bill) - Advocate and pursue legislative efforts related to the next highway bill reauthorization (expiring in 2026).

Roadway Design - Pursue safer roadway design strategies in federal infrastructure legislation or discussions.

Discriminatory Legislation - Oppose any motorcycling, motorcycle, or motorcyclist-based discriminatory legislation or rules proposed by the U.S. Congress or by any governmental agency.

Vulnerable Roadway User Terminology - Monitor and ensure that motorcycles and motorcyclists are a specific and unique category or classification.

Gang, Club and Other Language - Monitor and respond to federal legislative or regulatory activity concerning the usage of the terms gang, club, known associate, and associate when referring to motorcyclists.

Taxes - Encourage fair treatment of motorcyclists in any change to federal taxes related to transportation.

Help Wanted!!.....

It is time....!! HOW OFTEN DO YOU HEAR OR SOME IF YOU MAY EVEN SAY IT YOURSELF!!"OH...I'M NOT INTERESTED IN POLITICS...." WELL....I'm currently looking for a few good members under the age of 45yrs. old. Come out and be involved in activities, meetings, and legislative learning! For you are the next generation of "LEGISLATIVE WARRIORS!!WHY SOOO IMPORTANT? per college- a motorcycle safety course at the college was closed because of a student accident in which the student sued after being injured at her own hands. This leaves the course vacant and in need of some organization to tackle this endeavor....as abate of Illinois votes to pass because of the financial investment it would take and the return time of funds reimbursement. But for every action there sometimes is a greater reaction!! There may be very deep legislative rebounds that may be put forth in Disguise As trying to help and protect the people when in all reality it will be an attempt to legislate away some of our rights. Often in some people's mind protecting the people is just a way to harness and eliminate things That the people enjoy as a freedom...!!! Be prepared in this next legislative cycle When called to do so to put up your opinions and fill out the discussions and opinions that your legislators will hear being proactive will help keep our rights intact and not tie our hands as free individuals and riders who enjoy that freedom!!!Get informed!! Get involved!!!Join the FIGHT!! For warned is for armed!!! Patrick Wood (Woody) Legislative rep. Peo-Taz chapter

Loyalty can bring rewards to your life. Loyalty stands as an important quality that will allow you to develop a stronger emotional connection with the people around you. It helps other people feel assured about you when they know you can commit to things, and you won't leave them halfway through. Loyalty can require compromise and even sacrificing one's personal needs or priorities at times, but the result is a tighter moral relationship. Loyalty also helps promote trust between people and can create very strong emotional and psychological bonds. Although there is a strong relationship between these two values, there is also a distinct difference between loyalty and honest. Loyalty is a strong feeling of allegiance or support to someone or something whereas honesty is the fairness and straightforwardness of conduct. Whether it's a Peo-Taz chapter loyalty or any other ABATE LOYALTY!!! Rest assured your support is welcomed and needed in all things ABATE!!! Please feel free to chat with any of our members for further assistance! WE ARE HERE FOR YOU SO TOGETHER WE CAN BIND TOGETHER AND KEEP OUR RIGHTS ALIVE!!! Make Every Day...Every Ride Amazing!!! A.B.A.T.E. needs YOU!
Call to Action

There are more owners of Motorcycles, ATV's and Dirt Bikes than ever before. However, our membership state wide is lower than it has been in a decade.

WHO WILL FIGHT FOR YOUR RIGHTS?

Did you know in 2018 they tried to make protective gear, jackets and pants, illegal, calling them BODY ARMOR? You probably have a leather jacket hanging in your closet.

Yes A.B.A.T.E. helped stop that.
