*President.....*

Hello brothers and sisters

I'm looking forward to another riding season. And you as well. There are some things that come along with that. Is your ride ready to go mechanically? Are your tires good? Oil changed? riding gear?

Barb and I are doing some fund raisers to benefit St Jude children's hospital. Keep an eye on FB for up coming events. If you are interested in participating in the St Jude. It's a police escorted ride from Peoria to Memphis. Yes that's right all the way! In the years past we have raised more than 7 million dollars in fight of childhood cancer.

Hope to see you all soon

President Mark Rassi

## Membership.....

Howdy all! With so many more bikes out on the road please make sure to have your yard signs out. Those "watch for motorcycle" signs aren't just for the garage. The last few times Ma and I was riding, we actually had some very courteous drivers. They weren't tailgating. Speaking of I see a lot of bikers riding too close to those in front of them. I know we can stop faster but let's lead by example. Please make sure to have forms in your saddle bags. There may be people at your job that are now riding to work. These are the heavy months to help sign up 10 new members to receive a free single one-year membership from the state.

As of June 1st we have 179 active members. We have gift cards available. If you want one and can't make it to a meeting, give me a call or text we will hook you up. Do you know an 18-year-old or older into dirt bikes or atvs? How about just giving them access to a lawyer or an accidental life insurance policy? A 25.00 gift of membership will last them a whole lot longer than a 25.00 gas card.

Did you know in 2018 they tried to make protective gear, jackets and pants, illegal, calling them BODY ARMOR? You probably have a leather jacket hanging in your closet.
