Awareness Ride
Springfield, IL

Vice President.....

I haven't submitted an article for a couple months as I figure that you probably get tired of hearing from me on FB so much and there hasn't been much going on.

It's good to be meeting again on a regular basis and being able to connect with each other in person. Our last couple membership meetings have had good attendance and our May meeting was the Awareness/Freedom ride and we had a good turnout for that as well.

Our numbers for the ride are down from previous years, but other chapters are meeting at their own places and meeting us in Lincoln, and there are other events that have cropped up over the years that conflict with the ride. The time in Springfield was good catching up with friends and being able to visit with our state leadership as well as our regional coordinators. It is also good to hear and support the state legislators that spoke at the rally at the state capitol.

The swap meet at EXPO Gardens in April was a success and Mark Werries was very happy with the amount of people that showed up and the quality of the work done unloading and reloading the vendors trailers. Mark said we were very efficient in getting the work done. THANK YOU to everyone that showed up to help and special THANK YOU to our CMA (Christian Motorcyclists Association) brothers and sisters for coming and helping.

The state party is coming up June 24 -27. If you haven't made it in the past, please plan on attending. It is great time of fun, fellowship and relaxation. The Alzheimer's ride is September 4, watch for details on FB as we get closer to the date. The next swap meet in Peoria is October 24, more details to follow as they become available.

Please be sure to visit our sponsors. Times are still tough for all of them with this rotten virus still being used by the government to stifle commerce and public interaction. We have lost a couple sponsors for various reasons, most beyond our control, but there was one in particular that said they didn't see enough traffic from us. Please be sure to keep the Peo-Taz THANK YOU CARDS with you and leave them when you visit a sponsor.

Don't forget the open officer positions. Jo is anxiously awaiting someone to take over the newsletter responsibilities from her. THANK YOU to Jo for continuing on until someone steps up and takes over. PR is still open. The hard part is done as we just had the Awareness ride. Mark and I took care of the TV interviews, did you see us on the news?

Be sure to stay tuned to FB and the website as these are the best ways for us to keep everyone updated through the month and for those times that your VP doesn't submit an article.

God Bless!!

"We hit a home run" I'm talking about our Peo-Taz ABATE Chapter May Awareness/ Freedom Ride to Springfield.

Shannon and Linda on sign in, whoever organized the TV interview with WMBD (great job). The superb job with setting up our local law enforcement to do the escort and staging of the parade, CMA doing Bike Blessings!

And thank you Lord for the great weather!! Got my first sunburn of 2021.

Love you all, see you soon.

Howdy all! Spring has sprung and she is a fickle one. I'm doing more wardrobe changes than a Vegas showgirl. How many of you are thankful chaps are adjustable after that winter feeding frenzy? Ok, maybe it's just me.

Things are really starting to open up and a lot of rides are happening. Stay safe out there. Along with the potholes of the roads, those sudden showers are creeping up. A note to the new riders and us forgetful ones. The roads are slicker in the first 5-10 min of rain. If you can pull over or wait till that oil and grime is washed away you will get a better grip on those tires.

Our membership meeting incentive drawing started this month. You need to be an active Peo-Taz member and show up to the meeting. April's drawing was for \$50.00. the name drawn... Stephen Madden. He was not present so next month's drawing (yes, it's the awareness/freedom ride we will still draw before kickstands up) will be for \$60.00.

As of April 1st 2021, we have 171 active members with 8 new members joining us in March they are:

Membership.....June

Howdy all! Dates changed, events closed or postponed, all kinds of stuff popping up like dandelions. Sometimes we feel like we are on a game show. Don't know whether I should phone a friend or buy a vowel. And since life doesn't come with spell check, the vowel thing would be a crap shoot. On the plus side not many people can say "well there is nothing to do".

Before we get to the stats, you usually see the people who are due in the next month. If your name appears "in Print", as our brother Vitch says, and you have already sent in your renew, it is more than likely our printing time and mailing time have crossed paths. If you haven't received your packet from the state in two weeks from sending in your renew, please feel free to contact me.

As of May 1st 2021, we have 175 active members with 1 new member signing up in April. This does not include the ones who signed up at the swap meet those will be in the next month's totals.

THIS MONTH IS dedicated to Steve Respress a Vietnam Veteran. We had the honor of serving Steve through our foundation. Steve served from 3-29-70 through 6-5-72 with honor and distinction as he also lived his life. He loved his scooter and used it to go several miles on many occasions (at lot of trips to Buffalo Wild Wings). Steve is survived by his sweet wife Peggy, and Robin,

Did you enjoy your motorcycle ride knowing that you can
CHOOSE whether or not to wear a helmet?

Do you like stopping for gas & not being
FORCED to use E-15?

Wasn't it nice that you didn't run into a motorcycle
ONLY checkpoint?

How about when that red light wouldn't change in 120
seconds? Pretty nice to proceed as if you were
at a stop sign, wasn't it?

Just a few things that A.B.A.T.E. of Illinois has
accomplished or is holding at bay. No need to say thank
you. Thank us by joining us & being a part of the

**A.B.A.T.E. needs YOU!
Call to Action**

There are more owners of Motorcycles, ATV's and Dirt Bikes than ever before. However, our membership state wide is lower than it has been in a decade.

WHO WILL FIGHT FOR YOUR RIGHTS?

Did you know in 2018 they tried to make protective gear, jackets and pants, illegal, calling them BODY ARMOR? You probably have a leather jacket hanging in your closet.

Yes A.B.A.T.E. helped stop that.
