DAVE SALTER

Hello again , with the world changing and government's trying to make changes in motorcycle laws, we have to be on our toes more than ever. This is why we need to band together to fight these bills that would take away a lot of rights of Bikers. This is why I continue to fight for Bikers rights, we should have the right to wear helmets by choice, not a must. We will be out and about at random bike nights so feel free to come out and talk to us and get info and the chance to join the fight with your local ABATE chapter. There will be a lot of great events this year so get out there and put the miles down making memories and seeing the beautiful country. If you see me out and about feel free to say hi, I don't bite. Keep the rubber side down. Until next time.

Hello Spring! Drawstring Bags for your Ride! Just a little history first. Drawstring bags have roots all the way back to ancient Egypt. Archeologists have uncovered drawstring bags all along the Nile, where they were used for a variety of functions. The easy carry-all style was used to carry belongings to and from religious ceremonies, as well as during agricultural harvests. Our drawstring bag is a type of bag or sack that is closed at the top using a string or cord, which is pulled to tighten the opening and secure the contents. These bags are also known as cinch bags, gym sacks, or sackpaks. They are lightweight and easy to carry, making them suitable for various uses like carrying personal items, or even as a backpack.

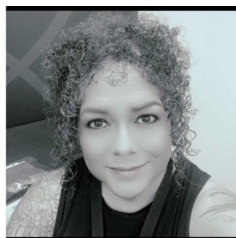

We have your personalized Peo-Taz bags available for sale to accompany you & yours during our riding season & more!

We the people have spoken!

Legislative day was a very successful day and we have a couple calls to action which have drawn really successful responses which have gotten the message across to our legislators!

This Legislative session we are moving hard and fast with legislation to re-align the state training program that has fallen into disarray which causes the risk of life.

And short of"I TOLD YOU SOOO!!", again we saw another attempt of some citizens group pushing their legislator to submit another HELMET BILL!! Luck would have it this legislator is on our side and didn't push it, but doing his job.... he did as he was elected to do. AND the legislator from last year..learned that tuff lesson- no desire to try and hop that train again!!!

This is a very busy year and keep up on the email watch for calls to actions and submitting the witness slips when calls are sent out!!! This is your voice in action!!!! Get informed!!!! Get involved!!!

Riding season is here!!! Join us for the FREEDOM RALLY/RIDE TO THE CAPITAL MAY 4TH!!! SEE YOU THEN!! SO THEY WILL SEE US!!! NUMBERS SPEAK VOLUMES!!

The Power of Prayer! Matthew 6:26-34 summed it up when Jesus spoke about, "not worrying". We worry about so many things these days! We have so much coming at us don't we? Phil 4:6 says "Don't worry, pray about everything, give thanks as we make our requests to God, and His peace, which goes beyond understanding, will keep our hearts and minds strong thru Jesus Christ". What a great promise! And a reminder, to cast our burdens on the Lord!' And, He will sustain us! Psalm 55:22. Yes, we all get, hit, everyday, remember to give it to Him and He will give us peace and work all things out for our good. Romans 8:28 Love you all! Look forward to seeing everyone!

Want to thank all the members that were able to lobby in Springfield. We are blessed to have the majority of elected politicians to understand and seek guidance from ABATE and MRF. We need to keep visible to them and educate what motorcycle awareness means. April was distracted driver awareness month. May is motorcycle awareness month.

Thanks, Susan

Howdy all!

As of April 1 2025 we have 144 active members. Things are going to really start heating up with lots of rides and events. Please make sure to have forms with you.

We had a great turn out for the 3 chapter cook off. Crystal from Freedom Valley won the Cheese category. Jason Snyder from Free Bird won the meat category. Houndog from Freedom Valley won the soup and salad category. Our very own Karen Salm won the dessert category. The lotto board that day donated by Dusty & Amy made the chapter \$. Thank you! The UFC picture was won by Woody. The UFC pic that was donated by Hunter John made our chapter \$. Thank You!

The gun raffle was won by Don Bush who ironically had bought chance that day at the Blue butt pancake breakfast, Dusty was nice enough during that very busy awesome morning to go around and sell the last of the spaces and was drawn at the 3 chapter cook off. That raffle made the chapter \$.

After talking to Susan who spoke and took the raffle to Freebirds meat shoot. (this is a great time I encourage you to go and support our other chapters) It was suggested to do either gun or cash. So we will start another raffle it being a gun or \$500.00 in cash. If someone picks the cash we will just start it over again. And so on.

And on a personal note I would like to thank all of you who supported me and the Peoria Players theater for the Remembering Janis Joplin show. We raised 4,700.00 towards the much needed air conditioning system. But to let ya all know on their web , FB sites and the program in my bio, PEO-Taz was mentioned so thank you all so much let's keep that love train going with an awesome reminder that our very VFW is now open to the public with lots of things going on.

If you sign up 10 new members in a calendar year you will receive a free one year membership from the state.

Safety & Education

DUSTY DRIBLER

SADDLE UP,

On March 25th Sonya Nunn Link, Shirley Hamblin and I went to Metamora High School and taught three different classes about motorcycle awareness. It just amazes me on how these kids participated in the discussions of motorcycles, the dangers that we face, the enjoyment we feel when we are riding and the things we have to do to our bikes to be able to have a safe ride. They enjoy trying on the leathers and helmets and getting their picture taken and wanting it sent to the school website. They all get an ink pen, key chain, fingernail files and a test at the end of our class. They really enjoy the test, HAHAAHA. Sonya is good at keeping the kids interested and making them feel comfortable with us. Sonya and Shirley are also teaching me a lot about how to do these classes so I one day I can teach them by myself, but truth be told I hope I can be their sidekick forever. Thank you again ladies for letting me help you.

Don't forget May 4th is the Freedom Rally Ride to Springfield, sign-up is 8:30am- 9:45am with kick stands up at 10am. It all starts at the VFW in Bartonville with coffee and donuts. Christian Motorcyclists Association will be there blessing bikes too. Hope to see you all there.

Hello fellow ABATE members, remember me, I'm the one you haven't heard from in quite awhile. Tell you the truth, I disappear for the winter to the Rio Grande Valley where we have at least one week of a cold snap and the rest is in the low 70's or mid to high 90's. That doesn't mean I don't keep tabs on what is going on in the motorcycling community and in our Chapter.

For those of you members who like to stay abreast of Chapter news you can get your newsletter sent via email and it will be (BCC) blind carbon copy. In other word nobody will know your email address except the Nick Christian the Newsletter person. If you would like it sent to you contact Nick at; nchris@yahoo.com and give him your email address easy peasy. This will also help keep the cost of newsletter down. So please give it a try.

Dusty Dibbler your Safety & Ed Officer has been having a bit of a rough patch getting into some of the schools and if you could give him a helping hand to some introductions, he would very much appreciate it. He really enjoys teaching the up and coming drivers the safety aspects that motorcyclists are subject to. Not only that it just might help save the life of a fellow biker.

Just to bring you up to date a helmet law was introduced, this got through the first level of committee but has died in the rules. This doesn't mean that it couldn't be brought up again, that is why we are so ever vigilant in the political arena. To those of you who attended Legislative Day, I personally Thank You! I myself have been there plenty of times over the years and it is quite an eye opening as to how our Representatives are receptive to us as motorcyclists. That reminds me May 4th is the day of the Freedom Ride or as it was called in the past Awareness Ride. Line up starts at 8:30 and leaves the VFW here in Bartonville at 10:00 A.M. sharp. You as a motorcycle enthusiast are encouraged to attend this ride to the State Capitol to show that we are on the road again for the summer and for the motor driven vehicle owners need to be aware that we need to all share the road.

On the lighter side Scott Grebner lost out on \$80.00 for not attending the monthly meeting, but Larry Leyer was fortunate enough to have bought the Fed Pac incentive ticket to the tune of \$26.00. Glad you attended Larry!

You're going to read elsewhere in the newsletter that we now have 144 members. In order to increase the membership please get your new membership forms to carry with you while attending the different motorcycling activities. Yes, the new 2025 Peoria Area Motorcycle Event Calendar is out. Hopefully you will see it in print shortly. Hang this up where you can refer to it on a regular basis and attend when you can.

BASH is September 20th and the Chapter is passing the hat for the Chapters donation. Please attend our meetings and give of what you can. Ever little bit helps no matter how small or large the donation to help those less fortunate.

Sincerely, Your Roving Reporter

Please Support / Sponsor HB2980 / SB2075, HB1226/SB91, HB3044

HB2980 (Kifowit) / SB2075 (Lewis)- Moves Illinois to a more modern model of providing motorcycle safety classes to Illinois residents similar to how these programs are run in numerous other states. This legislation was drafted after numerous conversations held with experts throughout the US.

HB1226 (J. Hoffman) / SB91 (Villivalam) Moves back the required age for mandatory driving tests in line with recommendations from last year's safety study, freeing up resources at SOS & in Cycle Rider Safety training courses, while adding components for family safety as well.

HB3044 (Kifowit) - ABATE written bill dealing with the regulation of autonomous vehicles / automated driving systems on Illinois Roads. This bill would set up a review process and move highly automated systems to closed circuit testing until they could prove safe operation. Currently these systems are operating with no oversight in Illinois and have killed bikers in other states. ABATE of Illinois isn't willing to wait for them to start killing riders here. **Our Lives Are Not a Field Test** for their unproven technology. Humans have to pass a driving test, automated driving systems should too.

ABATE of Illinois Opposes the Following Bills

HB3783 mandates that motorcyclists and passengers wear DOT certified helmets. When motorcycle fatality rates by State are compared to the state laws on helmets, one finds that there is **no correlation between fatality rates and helmet laws**. Furthermore, the restriction to a DOT standard prohibits motorcyclists from using other helmets that adhere to a more stringent safety standard than DOT FMVSS 218. **Riders should have the right to choose their own safety gear and apparel.**

HB1839 Allows for manufacturers to "self-certify" that their automated driving systems are safe with no independent review. This methodology has allowed TESLA to test their Full-Service Driving with no oversight, which has killed several motorcyclists.

HB3778 / SB2486 & IL Pollution Control Board Case R2024-017 - Bring California Emissions standards to Illinois. This would subject Illinois citizens to rules created by an unelected board from California. These rules currently ban combustion engines after 2035, and are known to be hostile to classic cars, racing events, off-road, and motorcycles. **Under CARB rules – motorcyclists would not be able to order and receive many common parts for repairing popular motorcycles.**

SUPPORT / SPONSOR HB2980 – SB2075 Cycle Rider Safety Training Modernization

Expands potential training providers to include existing providers with many years of experience, while still allowing Illinois colleges and universities to remain training providers as well.

Still provides the same free motorcycle safety training to Illinois residents with no increased cost to motorcyclists or the State budget.

Makes more efficient use of that funding by prioritizing funding for actual training for students & funding for equipment.

Increases safety and consistency while reducing risk by requiring quality assurance inspection reports to be filed with IDOT.

Will lead to more instructors / coaches being trained and hired in Illinois by expanding available providers and sites in Illinois.

On average 33% of motorcycle fatalities involve riders with no training or no valid license, **HB2089 / SB2075** will reduce those fatalities by increasing available training classes & student capacity throughout Illinois.

Please support or cosponsor HB2089 / SB2075 today

Call to Action

WHO WILL FIGHT FOR YOUR RIGHTS?

When Trailer plate prices were raised by 555% A.B.A.T.E. was the only organization that addressed it. A.B.A.T.E. is ever vigilant on keeping Illinois a helmet by choice state. (Illinois vs Freis)
