NEWS - HARLEY DAVIDSON SPEAKS TO DECLINING BIKE SALES

The reasons for the slump in sales at H-D are not President Trump's fault.

Apparently the Baby-Boomers all have motorcycles. Generation X is only buying a few, and the next generation isn't buying any at all.

A recent study was done to find out why Millennials don't ride motorcycles:

1. Pants won't pull up far enough for them to straddle the seat.
2. Can't get their phone to their ear with a helmet on.
3. Can't use 2 hands to eat while driving.
4. They don't get a trophy and a recognition plaque just for buying one.
5. Don't have enough muscle to hold the bike up when stopped.
6. Might have a bug hit them in the face and then they would need emergency care.
7. Motorcycles don't have air conditioning.
8. They can't afford one because they spent 12 years in college trying to get a degree in Humanities, Social Studies or Gender Studies for which no jobs are available.
9. They are allergic to fresh air.
10. Their pajamas get caught on the exhaust pipes.
11. They might get their hands dirty checking the oil.
12. The handle bars have buttons and levers and cannot be controlled by touch-screen.
13. You have to shift manually and use something called a clutch.
14. It's too hard to take selfies while riding.
15. They don't come with training wheels like their bicycles did.
16. Motorcycles don't have power steering or power brakes.
17. Their nose ring interferes with the face shield.
18. They would have to use leg muscle to back up.
19. When they stop, a light breeze might blow exhaust in their face.
20. It could rain on them and expose them to non-soft water.
21. It might scare their therapy dog, and then the dog would need therapy.
22. Can't get the motorcycle down the basement stairs of their parent's home.

Howdy all! With the weather turning colder the thought of motorcycle rights seems less prominent. However, consider all those trying to get those last few rides in. There are sure to be many articles about caring for your ride over the winter months. Your rights are still being looked after when the snow begins to fall, and your Wheels are nestled safely inside. As always, we have gift cards for memberships.

As of October 1, 2019, we have 214 active members.

If you sign up 10 new members in a calendar year you receive a free single one-year membership.

Our activities director Lesa Culver has been busy working on many activities and fund raisers for our chapter. Please try and attend some of these awesome events. I love that her and our VP (nothing scandalous they are married) plan their date night going to our sponsors.

Have a groovy day!

Did you enjoy your motorcycle ride knowing that you can
CHOOSE whether or not to wear a helmet?

Do you like stopping for gas & not being
FORCED to use E-15?

Wasn't it nice that you didn't run into a motorcycle
ONLY checkpoint?

How about when that red light wouldn't change in 120
seconds? Pretty nice to proceed as if you were
at a stop sign, wasn't it?

Just a few things that A.B.A.T.E. of Illinois has
accomplished or is holding at bay. No need to say thank
you. Thank us by joining us & being a part of the

Chaplain.....

One of the good things about ABATE is that "it's all about defending my rights as a motorcyclist". We need "watchdogs". There are a lot of people and politicians that want to steal our rights and privileges from us. We must keep fighting for them. We are making a difference. On that thought: how often to you or I defend those who need defending out there? That could be our families, the unborn, or a total stranger. It could be refusing to bash someone behind their back when everyone else is doing it. Sticking up for someone who is being unjustly accused. The list goes on and on. It takes a little bit of courage to stand up for what is right. To stand for truth. You may have to stand alone. I want to be that person. How about you? Here I am Lord, send me. Help me to make a difference. To stand for truth and what's right. Even if I stand alone. I know you are with me.

Truth will win out.

Love you all,
Ben

Call to Action

There are more owners of Motorcycles, ATV's and Dirt Bikes than ever before. However, our membership state wide is lower than it has been in a decade.

WHO WILL FIGHT FOR YOUR RIGHTS?

Did you know in 2018 they tried to make protective gear, jackets and pants, illegal, calling them BODY ARMOR? You probably have a leather jacket hanging in your closet.

Yes A.B.A.T.E. helped stop that.
