

Peo-Taz News

November, 2021

President.....

Greetings Brothers and Sisters,

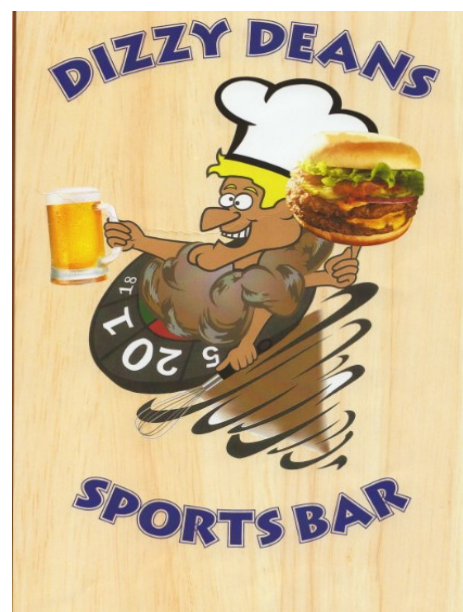

Well, where should I go this month? I think we will talk about the changing of the seasons. All though the temperature hasn't changed much the leaves have started to turn the fall colors. We should all get together and go for a ride see the colors and maybe have dinner. The colors are amazing to look at, but be careful when those leaves cover the road, they can be slick whether you're on the bike or in a car.

I had someone come and tell me that more of our chapter would participate if we did more events. Ok sounds good to me. If you're reading this and have an idea about an event, let me know and we'll put our heads together and make it happen.

That'll do for now.

Be safe and we'll see you down the road.

Your brother Mark

October/November

Howdy all! Getting a bit of chill in the air. I am not complaining. It is that time again to check that you have those necessary items in the saddle bags. Those clear glasses help as it gets darker earlier. And when that sun goes down that light jacket sure does come in handy.

As they clear the fields the animals seem to want to jump out and say Hello. Try to avoid that conversation all together. Stay alert.

As of October 1 2021, we have 188 active members with 1 new member in August and 8 new members signing up in September they are:

Belinda Buhs	Edward Suydam	Yolanda Suydam	Brian Mann
Delisa Mann	Terry Dorelle	Henry Salter	Bobby Stanley
Tracy Bean	Welcome to A.B.A.T.E. and your Peo-Taz chapter!		

Members due in October:

Mike Branchfield
Jackie Cooper

Members due in November:

Stephen Madden
Donald Davis
Cris Hern
Jack Lash
Eileen Lash

A reminder our quarter auction is in November right after the meeting. If you would like to donate some items, you can bring them to the next meeting or the day of the auction. The donations that we receive are really the back bone of this fundraiser. We already have some nice donations that have come in. If you would like us to pick up an item please call or text me.

Have a groovy day!

Roving Reporter.....

How are you folks doing today?? Just a question that involves just you, hopefully you are doing fine, your health is good, you have good finances and anything else you deem necessary for doing good or feeling fine.

I want you to raise your hand if you feel that the Chapter or Organizations you have joined are doing satisfactory or is well without your input or attendance. Let me give you an insight as to the wellness of an Organization. If you don't participate in their events or attend meetings regularly, they are doomed to failure. If and I mean if, you find something offensive about what is or perceived is going on within the Organization you need to speak up and bring this to the attention to everyone involved, so it may be resolved. Don't just quit!!!

This particular Organization was started to stop a law that required you to wear a helmet while riding a motorcycle. But for you to choose whether you as an individual wanted to wear one or not. It's your choice and it should always be your choice. Since then, a number of other laws have been enlisted to help the motorcyclists of Illinois. This has helped when we as motorcyclists worked together and performed duties within each individual Chapter. Now you say, well I belong and I pay my dues and renew when it is expiring. That I commend you for, but we still need your help doing other things within. Such as volunteering for help at events, running for an office and etc.

There are a number of good people who have stepped up over the years and have taken over officers' duties and would like to take a breather but alas very few are accepting responsibilities to help. If you allowed yourself to attend the monthly meetings you would see a pattern that the same folks are attending month after every month and these at most are those who at one time or another were or are officers in this or any organization. Enough said on this subject. But do please think about what I have written about.

Hopefully most of you had attended the 35th Anniversary of Peo-Taz Chapter at Jubilee Park. If not, then All I can say is Oh well maybe next year I'll see you.. Until then, please ride with care and be aware of the debris on the roadways and for the Harvesting that is being done.

Sincerely,
Your Roving Reporter.

A.B.A.T.E. needs YOU!
Call to Action

There are more owners of Motorcycles, ATV's and Dirt Bikes than ever before. However, our membership state wide is lower than it has been in a decade.

WHO WILL FIGHT FOR YOUR RIGHTS?

Did you know in 2018 they tried to make protective gear, jackets and pants, illegal, calling them BODY ARMOR? You probably have a leather jacket hanging in your closet.

Yes A.B.A.T.E. helped stop that.
