PATRICK WOOD

It's that time again! It's that time which some cherish the right, the privilege. Some see it as their duty to what is owed to be in that position or control.

So where is your mindset ? Do you value it or do you think you really don't matter? "IT TAKES ONE PERSON TO AFFECT CHANGE....IT TAKES A GROUP OF PEOPLE TO CHANGE THE WORLD!" (Patrick Wood- Senior essay final 1984).

Some in the Chapter have the view that they are offended when the subject or comments are made about what mindset they are of.....and so they choose not to attend. So let's let the ELEPHANT in the room speak! How do you effectively choose the Direction of your rights We VOTE!

MY MINDSET IS CONSERVATIVE....DON'T MAKE THE MISTAKE OF LABELING ME!! My mindset is conservative-defined as to care and protecting what resources and values I have.

I vote motorcycle...to protect my relationship with my lifestyle and freedoms. I vote my conscience by evaluated decisions as to who will best serve the protection of the values and rights. We are a minority and as that minority we more than ever need to get together and as one effectively bring those challenges and changes together.

Come out and let's not be offended but have courage to have conversations. Get out and vote responsibly! Cherish that right!!!!

DUSTY DIBLER

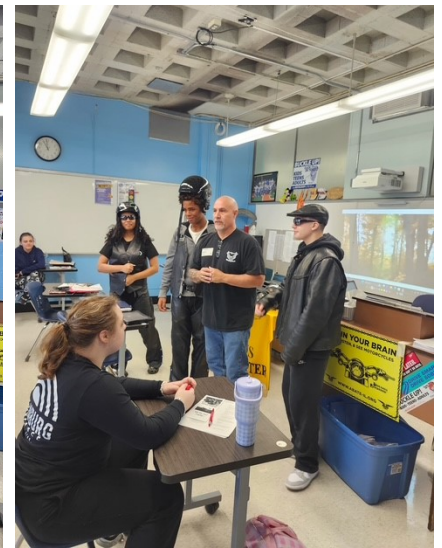

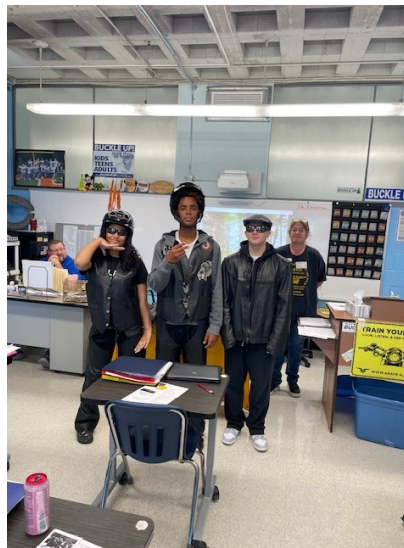

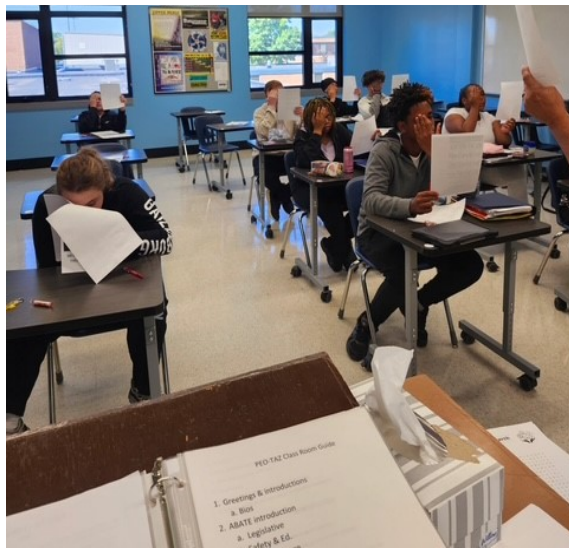

Hello Brothers & Sisters,

First off, I would like to apologize for last month's article and this month's article, we have had a lot of going on with Amy's mom passing away, our daughter buying a house and we decided to buy a house too even though we weren't looking. Amy & I went to BASH and had a great time. I was excited to see a lot of ABATE members there. Amy spent some money there for things I don't think she needed but, hey who am I. CMA cooked some great food the bartenders were great, and the auction items were unbelievable. What a great cause this is. If you never been to BASH, I highly recommend it. I would like to thank Shannon Johnson for helping me at Limestone High School on teaching motorcycle awareness to the kids, they always seem to be amazed at what ABATE does for our rights to ride. I'm still trying to get into East Peoria High School so I'm hopeful to get in there by the end of the year.

We don't have much time left to ride so get out there and ride.

Saddle up and ride on.

Guess what folks!!! We are having an election!!!! Yes, a real election next month meaning in November and it is for the President. If there is any other offices that are being voted upon I am not aware of it. No, you can't mail in your ballot. If you had attended the October meeting you would have been eligible to vote by giving the Secretary a folded paper with your vote. I am urging you to attend the meeting vote and stay for the (9 th) annual Quarter Auction. I have been told there are some mighty fine pieces that are being displayed for your purchase.

Another thing that is happening, we are urging you to attend October 22 at the Peoria Court House room 222 at 1:30. A fellow motorcyclist was killed by, from what I understand by a person that was ineligible to be behind the wheel of a motor vehicle. According to law, in an accident where someone is killed the most the penalty is (7) years. From what I also understand is that if you are a felon of sorts you might receive a harsher penalty. If you as a motorcyclist feel that people who kill or maim a motorcyclist should receive a harsh penalty, it would be in your best interest to attend this court hearing and hear from the horses mouth and make your own decisions to what is or isn't appropriate.

There are folks that are quite involved in ABATE who are trying to bring the motorcycling community together which is good for all involved. Some Chapters and Clubs are having events that are of interest to those who ride. If you have the chance and time to attend, please give it a try.

Just a reminder, Our Anniversary Party is October 24th at Patrick Woods place. The address is 4212 Sheridan Road, Pekin, Illinois. Time is 4:00 PM bring a side dish and your own chair because of limited seating. Enjoy yourselves and drive or ride responsibly.

See you all next year, your Roving Reporter

DID YOU KNOW? LEARN FROM THE MRF!

"New Federal Fuel Economy Rules Announced"

On September 28, 2026, the U.S. Department of Transportation finalized a rule resetting Corporate Average Fuel Economy (CAFE) standards for model years 2022-2031. The rule projects an industrywide average of about 34.9 miles per gallon by model year 2031, well below the 50.4 mpg average projected under the rules finalized in 2024. The standards apply to passenger cars and light trucks. Motorcycles are not affected because this federal fuel economy law covers only 4-wheeled vehicles.

The Motorcycle Riders Foundation (MRF) sees the rule as another action in defense of the internal combustion engine. Preserving the internal combustion engine is one of the 12 high-priority items on the MRF's 2026 federal legislative agenda. People working to end the internal combustion engine have used ever-higher fuel economy standards to force manufacturers into building electric vehicles. They set targets so steep that shifting production to EVs became the only realistic way to comply. The Department itself said the prior standards effectively required a switchover to electric vehicles that was out of step with market realities and customer demand.

"Motorcycles may be outside this rule, but riders shouldn't assume that will always be the case," said MRF President Kirk "Hardtail" Willard. He added, "Every push against the internal combustion engine has started with cars and trucks, and bikes are the logical next step. The MRF will keep watching closely and will oppose any effort to bring fuel economy mandates or EV requirements to motorcycles."

Who all out there loves Summer? I have both hands raised! Warmer temps, gardening, ice cream, yard work, more light outside, cooking out, produce stand, short sleeves, riding, family get togethers, are some of the things Pam and I enjoy! It seems to go bye way too fast. Then, we go back to the deep freeze! We do enjoy the Changing of the seasons here in Central Illinois. Each has its own beauty. My challenge to you all...enjoy it to its fullest! Try to keep positive! Look on the bright side! God loves each one of us! He laid His life down for each of us! Live in the present! Life is short! Howdy All! If you were at the October meeting you know we will actually have an election at the November meeting. Immediately following the meeting is our 9th annual quarter auction. We have already received some awesome donations. If you would like to donate any items you can bring them to the meeting. If you see a post about the quarter auction of social media please share. Please have them contact me.

And don't forget that day is when Daylight savings time ends...Fall Back.

Also in October I went with Dusty to Limestone High School for a Drivers Ed motorcycle awareness event. I was proud of Dusty. I not only had fun, but was surprised to learn so many things. Thanks to the Limestone and the students!

Speaking of being thankful, I'm not a big fan of change or technology. The not so new system has been kicking my....Pauli and I use to have some interesting terms for our frustrations. Teri at the state has gotten labels to in a way to save me many hours and frustration. So all say.. Yeah Teri!!!!

You still have plenty of riding season left to sign up 10 new members and earn yourself a single one year free membership from the State.

When you visit a sponsor please let them know where you heard about them and we appreciate their support. We have thank you business cards available at our meetings.

Thank you and have a Groovy Day! Shannon

Motorcyclists' Champion Rod Taylor Dies

The motorcycling world has lost a great champion. Rodney V. Taylor died on September 21, 2026. A highly regarded attorney, Rod probably has his fingerprints on every waiver, contract, lease, disclaimer or legal document any State Motorcyclists' Rights Organization (SMRO) has utilized in the last 40+ years (pro bono, I might add). He often referred to himself as our "consigliere". In addition to being "house counsel" for many SMROs, he represented a tremendous number of our members and other riders. While Rod was a great lawyer, he was so much more than that. When he took your case, he was your friend; he was your family.

Volumes could be written about Rod's accomplishments and the individuals and organizations that he has assisted. He had a hard time saying no and was never shy about helping, but preferred to give others credit and the accolades. He was always quick with a story, but was just as excited to listen to a tale as to tell one. If you were around Rod much, you probably heard one of his favorites about being the "Sheep Shearing Champion" of Wayne County, Illinois.

He had a great deal to be proud of regarding professional success and personal triumphs. However, family and relationships are what Rod held in highest regard. Being a good father, husband and friend was his greatest reward. Rod was a huge history buff with a specific interest in the U.S. Civil War. He was an outspoken American and loved cowboy movies, war movies, the History Channel, John Wayne and Johnny Cash. He was quite fond of spinning stories that inspired patriotism.

No man is immortal, but Rod truly was bigger than life. It's hard to imagine a world without Rod Taylor in it. In true John Wayne fashion, Rod didn't want any "big deal" in response to his passing. He made his family promise not to throw a big funeral or even an obituary, but if you want to pass any stories along to the family, those may be sent to his daughter, Hilary, at hilarybarnes@abatelegal.com. We love you Rod, and we'd like to respect your wishes, but I'm afraid we cannot let you go without bragging about you. Just like you always did with all of us. You believed in people. You championed them. You told their stories, celebrated their accomplishments and made sure that others knew how much they mattered. So please forgive us, Rod, but this one time, it's our turn to make sure you know how much you matter.

WHO WILL FIGHT FOR YOUR RIGHTS?
It's 2026. There are too many bills/legislation proposed that concern motorcycles. We don't have the space to list them here. Please see our website:

ABATEOFILLINOIS.ORG

No Emissions - No Autonomous Vehicles - No Helmet Laws - Trailer Tolls

The list goes on and on!

As our membership goes down, the laws to eliminate us goes up.

We are still fighting! Are you?
