What does A.B.A.T.E. do?

- Protects the rights and freedoms of motorcyclist and off-road riders in Illinois, ensuring they are not restricted by unnecessary legislation.
- Advocates for freedom of choice, especially regarding motorcycle related regulations such as gear requirements and riding practices.
- Actively works with state and local legislators to ensure motorcyclists' voices are included in transportation planning and policymaking.
- Serves as a legislation watchdog, monitoring and influencing legislative actions that affect motorcycle rights on the state, national, and even global levels.
- Helps draft motorcycle-related legislation that improves rider safety and protects motorcyclist rights throughout Illinois.
- Conducts extensive safety and education programs for drivers, seniors, legislators, and motorcyclists to increase awareness and reduce accidents.
- Promotes motorcycle safety, acceptance, and enjoyment through statewide educational and community outreach programs.
- Provides discounted legal services to members, offering support for injury cases, wills, and other legal needs through experienced motorcycle rights attorneys.
- Maintains a strong statewide network of more than 60 chapters and over 120,000 members, allowing broad grassroots action and community involvement.
- Organizes advocacy events and rallies, such as Freedom Rallies and Legislative Days, giving riders direct access to lawmakers.
- Publishes newsletters and informational materials to keep riders informed about rights issues, laws, events, and safety education.
- Employs a professional lobbyist to represent motorcycle rights in Springfield, ensuring continuous advocacy in government.

DUSTY DIBLER

Hello Bikers,

It's been a busy month for Amy and I. We went to a couple of St. Jude rides and the finale, sold bike raffle tickets at the TT races, went to Twisted Breed fundraiser for Big Sky Camp, what a great time that was and did a Bar Bag run. I have contacted a few schools to try and teach motorcycle awareness to the new drivers, so hopefully I'll be busy with that before long. There have been 86 fatalities in Illinois as of me writing this letter.

Did you know that in Illinois if you kill a biker that the max penalty is only 7 years no matter what your criminal record looks like. ABATE is fighting to get this changed to a longer sentence and if you live in Peoria County you should vote for Judge Tim Cusack because he is on our side when it comes to motorcycle rights.

That's all I have for now so get out and ride because riding season is coming the end.

Thank you,

Dusty Dibler

Legislative Representative

PATRICK WOOD

The following is our Legislative agenda for 2027:

- 1) Waymo- we will continue to fight against Waymo coming to Illinois and challenge any bills that do not contain language on oversight, accountability, and data sharing from Waymo
- 2) Flock Cameras- flock has become a major issue with many people throughout state regarding privacy and we will look to get legislation in Springfield to the regulate
- 3) Right to repair- we will work to get legislation done to allow us to get information from dealerships after the warranty period has ended to be able to work on our own equipment and allow for small shops to be able to get the information too.
- 4) Profiling- this is always going to be an issue but we will try to include something to profiling and harassment with education to stop
- 5) Helmets- we will always watch for and oppose any helmet bills or bills mandating certain types of safety gear
- 6) Ethanol- we will continue to monitor the expansion of ethanol and e-15 as it is harmful to our motorcycles.
- 7) Work with the state police to upgrade the reckless homicide statutes
- 8) Lane-splitting/filtering- this is a big issue with younger riders. We are still neutral on the issue and will watch to see if anything about this comes up as this currently under review and my change.

Roving Reporter

Well folks we had a good September meeting here a Fat Man's Bishop's. Sorry you weren't able to make it. Robert Stecken, guess what you missed out on \$130.00 incentive and Shannon Johnson was the lucky winner of the Fed Pac incentive to the tune of \$28.50.

If you are interested in becoming an Officer of this Chapter the following positions are up for election: President, Treasurer, Safety & Ed, Public Relations, Activities, Sergeant at Arms, Newsletter, and Webmaster. You will need to get a Letter of Intent from Shannon. Have it ready by the next meeting so that it can be posted in the newsletter for the membership to vote on at the November meeting. You will then take charge of that position at the next meeting.

Don't forget the Quarter Auction takes place after the November Meeting. Shannon is still taking items for auction so be sure to either bring them to the October meeting or contact her so that they can be dropped off.

A reminder that on October 24th the Chapter Anniversary Party will be held our State Rep/Legislative Representative Patrick Woods house. Come to the October meeting to get the address and all the other pertinent information.

A number of Legislative agendas were brought to our attention for the 2027 year the highlights are as follows; Waymo, Flock Cameras, Right to Repair, Profiling, Helmets, Ethanol, Working with police regarding reckless homicide statutes, Lane splitting/Filtering. If you didn't know what filtering was or is it is being able to go slow down the shoulder of the road during traffic backups.

Hopefully some of this article is incentive enough for you to come and be part of your next meeting.

Sincerely Your, Roving Reporter

Treasurer

SUSAN SALTER

Like many organizations, officers assist each other and share the effort with each person's skills. I help with printing for the meetings and coordination. Each year we have elections for half our board, each term is a 2 year commitment. Those interested in positions need to have a letter of intent filled out in at Oct meeting or by Oct newsletter printing, so the letter of intents and names can be published in newsletter before November meeting when voting occurs. Our website has letter of intent forms and descriptions of each position.

Elections for positions: (even years): President; Treasurer, Safety and Ed, Public Relations, Activities, Sergeant at Arms, Newsletter, Webmaster

Hope you each care to get involved and keep politicians from limiting our choices on gas, helmet, right to repair, and even our right to drive.

SHANNON JOHNSON

Howdy All! We had a good turn out for the meeting this month out at Fat Man Bishops. Next month we will be back at the VFW in Bartonville.

November is our annual quarter auction. We have already received some awesome donations. If you would like to donate any items you can bring them to the October meeting. If you see a post about the quarter auction of social media please share.

At the October meeting we will be asking for volunteers For the quarter auction we already have a volunteer for one of the "Vanna's". If you know of a vendor who would like join us. Please have them contact me.

Hunter John has been doing a great job having membership drives. Dusty, Ben, Dave and Susan have helped him as well. With their help and all of you renewing your memberships our numbers have gone up. As of September 1st 2026 we have 169 active members.

You still have plenty of riding season left to sign up 10 new members and earn yourself a single one year free membership from the State.

When you visit a sponsor please let them know where you heard about them and we appreciate their support. We have thank you business cards available at our meetings.

Thank you and have a Groovy Day!

Ride with the Leaders!

Thousands of motorcyclist rights activists have attended MRF sponsored annual regional and national workshops since 1985. These workshops provide the nuts and bolts, "user friendly" subjects and training to assist motorcyclists in defending, building, and strengthening their grass roots organizations.

Motorcycle Riders Foundation is proud to present their annual conference for politically motivated motorcyclists! Spend the weekend with some of motorcycling's most educated and dedicated activists. Learn what issues will impact bikers today and in the future!

Use the applications below to join and support the Motorcycle Riders Foundation and to pre-register for the 26th annual Meeting of the Minds, September 23-26 at the Holiday Inn City Centre, Peoria, Illinois.

DID YOU KNOW? STAY INFORMED FROM THE MOTORCYCLE RIDERS FOUNDATION(MRF)

"New Study Highlights Dangers Of Distracted Driving"

A new study from the Insurance Institute for Highway Safety (IIHS) underscores a problem motorcyclists know all too well, distracted driving remains a serious threat on America's roads, and riders often pay the price. The IIHS study found that cellphone use before crashes is significantly underreported in police reports. Using data from nearly 17,000 crashes, researchers found drivers were using their cellphones within 30 seconds of impact in 7% of single-vehicle crashes and 8% of two-vehicle crashes. Police reports recorded cellphone use in less than 1% of those crashes.

The problem goes well beyond texting or making a phone call. Drivers were frequently tapping, swiping and otherwise manipulating their phones before crashes. IIHS also notes that looking away from the road for just two seconds doubles the risk of a crash or near-crash event. For motorcyclists, distracted driving can have devastating consequences. A driver who looks down at a phone, changes an app or simply fails to pay attention may never see a motorcycle until it is too late.

"Distracted driving isn't just a problem for the person behind the wheel. it is a threat to everyone sharing the road, especially motorcyclists," said the Motorcycle Riders Foundation President Kirk "Hardtail" Willard. "This study reinforces what riders have been saying for years: drivers need to put the phone down, keep their eyes on the road and focus on driving."

"New DOT Rules For Autonomous Vehicles"

Last week, the U.S. Department of Transportation (DOT) announced a new national strategy for developing and deploying automated vehicles (AVs), outlining the Trump Administration's approach to safety, regulation, and innovation in this rapidly evolving technology. In a statement, Department of Transportation Secretary Sean Duffy said the strategy "Outlines specific actions that DOT will take over the next few years, while laying the groundwork for the longer-term future."

The Motorcycle Riders Foundation (MRF) will continue to closely monitor the Administration's AV policies and remain committed to ensuring motorcycles are part of the conversation.

Motorcycles present unique challenges for automated driving systems. Their smaller size, maneuverability, and riding characteristics require AVs to accurately read, react to and respond to motorcycles in real-world traffic conditions. As the DOT moves forward with this strategy, the MRF will continue advocating for motorcycle safety to be incorporated into AV testing, research, standards and regulations.

"Motorcycles cannot be an afterthought as automated vehicle technology develops," said MRF President Kirk "Hardtail" Willard. "We will continue to make sure the interests and safety of motorcyclists are represented as the federal government establishes the rules of the road for this emerging technology."
